

# Surcharges Affect Your Bottom Line

## Garbage Only

40 yd bin (roll off container) holds approximately 10 tonnes of garbage

- 10 tonnes x \$55/tonne =  
**\$550** landfill fee

## Recyclables mixed in with garbage

The same 40 yd bin holding 10 tonnes of garbage mixed with recyclables

- \$550 (standard landfill fee)  
+ \$1500 (\$150 surcharge x 10 tonnes)

**\$2050** (New landfill fee w/surcharge)

## Garbage Only

3yd bin (standard dumpster) holds approximately 2 tonnes of garbage

- 2 tonnes x \$55/tonne =  
**\$110** landfill fee

## Recyclables mixed in with garbage

The same 3 yd bin holding 2 tonnes of garbage mixed with recyclables

- \$110 (standard landfill fee)  
+ \$300 (\$150 surcharge x 2 tonnes)

**\$410** (New landfill fee w/ surcharge)
